

housing policy development committee and the retained housing role

Mushtaq Khan

the stock transfer process

- what services are retained by the council
- what services are provided by cpp
- negotiations will soon start
- strategic housing role will be the primary housing function of the council

retained housing functions

- housing strategy (regional and local)
- local housing partnership and liaison with partners
- private sector housing
- supporting people
- housing advice and homelessness?
(cpa housing assessment still given the same weighting)

role of the committee

- set out vision for the strategic housing function
- ensure that the council works with all landlords through the strategic housing partnership
- monitor progress on the production of the housing strategy and the action plan afterwards
- monitor the performance of the new landlord

role of the committee (contd)

- examine regional housing context
- set housing priorities for the council
- work with partner agencies
- ensure that housing is still given high profile within the council
